“SCIENCE AND CONSCIENCE”

SEVENTEENTH YEAR BOOK 2016

August 2017

FOREWORD

The Kigali Independent University ULK continues to achieve its mandate of producing the highly skilled and knowledgeable human capacity to bolster the socio-economic development of our country and beyond. This mandate is aligned with the University's core functions namely teaching, research and community service. It is also aligned with the University's vision. ULK is destined to stand out as a remarkable university for excellence at the heart of Africa with highly motivated students and higher qualified personnel endowed with elevated ethical values.

In this 19th year book, many achievements are highlighted including the starting of 9 masters in post graduate programmes studies in order to meet individual and job market needs.

We sincerely address our gratitude to the Almighty God, the Government of Rwanda, the Founder and President of ULK, Professor RWIGAMBA BALINDA and whole ULK community.

Kigali, August 2017

Dr SEKIBIBI Ezechiel

Vice Chancellor of ULK

PART I: GENERAL PRESENTATION OF ULK

I.1. PRELIMINARIES

This section will highlight the following key points: creation and agreement, vision, mission, objectives, motto, philosophy, values and principles.

I.1.1. CREATION AND AGREEMENT

Kigali Independent University ULK is a private institution of higher learning founded on 15th March, 1996 and now governed by the new Law N°27/2013 of 24/05/2013 governing the organization and functioning of Higher Education in Rwanda; the Law N°13/2009 of 27/05/2009 regulating Labour in Rwanda; the Presidential Order N°51/01 of 13/07/2010 establishing quality standards in higher learning institutions; the ULK Statutes; its Internal Regulations, Academic Regulations as well as Manual of Procedures.

I.1.2. Vision

Kigali Independent University ULK is destined to stand out as a remarkable university for excellence at the heart of Africa with highly motivated students and high qualified personnel endowed with elevated ethical values.

I.1.3. Mission

The mission of ULK is to educate, teach, conduct research and serve the community. The fundamental mission of ULK is to provide the students with a training which will enable them to become actors and organizers of a complete development of the nation.

1.1.3.1. Social Mission

Despite ULK's legal status of "private institution", meaning that it functions using its own means, ULK takes patience and allows gradual payments from students who don't have the capacity to pay the fees at once.

Furthermore, RWIGAMBA BALINDA's FOUNDATION assists students deprived of financial capacities with a grant (a loan), without any interest. Since its creation in 2001 until the academic year 2015-2016, the Foundation has granted bursaries to **2.882** students of ULK (Kigali and Gisenyi Campuses) to help them complete their university studies.

I.1.4. Objectives

The following are some objectives related to the mission of our university:

1. Providing a solid scientific , intellectual and professional training to the students,
2. Promoting research in order to meet the community needs,
3. Rendering services to the community,
4. Organizing conferences and seminars to reinforce its teachings and research.
5. etc...

I.1.5. Motto

The motto of ULK is “**Science and Conscience**”

I.1.6. Philosophy

The philosophy of ULK is based on four fundamental principles:

1. To have faith in God;
2. To know your mission on earth;
3. To live ethical values;
4. To have positive thoughts.

I.1.7. Values and Principles of ULK

Kigali Independent University ULK is built but not limited to the following fundamental values:

1. Integrity;
2. Humility;
3. Determination;
4. Excellence

I.2. ORGANIZATION OF THE UNIVERSITY

I.2.1. Organs of the University

The university organs are:

- The office of the Founder and President of ULK;
- Chancellor;
- The Board of Directors;
- The Senior Management;
- The Academic Senate;
- The School Council;
- The Department Council.

The organization and functioning of most of the above listed organs are provisioned now by the new law N°27/2013 of 24/05/2013 governing the Organization and Functioning of Higher Education Institutions in Rwanda as well as ULK Internal Regulations.

I.2.2. School and Centers

Kigali Independent University ULK runs four schools; namely: the School of Economics and Business Studies; the School of Social Sciences, the School of Law and the School of Science and Technology. It also runs a Polytechnic Institute which conduct Advanced Diploma with technical studies in various fields, among them: Mechanical Engineering; Electrical and Electronics; and Civil Engineering. It runs a Centre of Languages (CELA) which conducts the teaching of English Language to both members of the ULK Staff, to students and to the General Public. The staff employed in CELA is qualified and competent to provide a solid knowledge in English language. The Centre is also equipped with audio-visual materials as well as different levels of teaching and leisure reading books, newspapers, magazines, CD-ROMs, etc.

With the partnership of the Kenya Accountants and Secretaries National Examinations Board (KASNEB), the Institute of Certified Public Accountants of Rwanda (ICPAR) and IBM, ULK is running professional courses such as **CPA**, **CISCO** Certification, **IBM** Certification and other professional courses.

Kigali Independent University ULK teaching system puts much emphasis on providing fundamental knowledge and skills for professionalization. In this regard, Kigali Independent

University ULK has set up Computer Laboratories both in Kigali and in Gisenyi where students are trained in new technologies of information and communication, using a computer park of more than **1170 units**.

The available internet connection allows the university community to carry out free of charge, research, documentation as well as exchange with the rest of the world aided by a digital library of more than 600 computers, connected to important world e-resources. All offices have computers which are connected to internet, with free of charge access. In addition to this, wireless connection is available in our Campuses.

PART II: KEY ACHIEVEMENTS FOR THE 2015-2016 ACADEMIC YEAR

This section presents key achievements as covered into the following aspects:

1. Teaching;
2. Research;
3. Service to the community;
4. Administration and finance;
5. Infrastructure and equipment;
6. Consultancy and Cooperation.

II.1. Teaching

Teaching is the integral part of the university's mission. The following part emphasizes on the information about the teaching progress.

II.1.1. Modules/units, examinations

In teaching, all the modules and units planned in the 2015-2016 academic year were covered and the new academic year 2016-2017 started on 9th October 2016 for both Day and Evening Sections.

As far as teaching is concerned, Kigali Independent University ULK received during the academic year 2015-2016 the following number of students compared to the previous years as presented in the table below:

II.1.1. 1. Student Registration

In order for teaching to meet its objectives, there is need for students to register. Table's shows figures of students registered in 2015-2016 academic year compared to previous years.

The above table shows that Kigali Independent University ULK registered in 2015-2016 seven thousand six hundred ninety six students (**7,696**) for Undergraduate, Polytechnic and Master's programs split as follows: **5,494** for undergraduate students from Kigali campus day and evening, **1,824** students from Gisenyi campus day and evening while **293** students are from the Polytechnic Institute for day and evening programs as well as **378** from master's programs for evening and weekend. For the three programs, undergraduate, Polytechnic and master's, the gender of students is as follows:

Undergraduate students amount to **7,318** split as follows:

3,088 male students (representing **42,2%**) and

4,230 female students (representing **57,8%**)

Polytechnic Institute students amount to **293** split as follows:

269 male students (representing **91,9%**)

24 female students (representing **8,1%**)

Post Graduates students amount to 378 split as follows:

252 male students (representing 66,7%) and

126 female students (representing 33,3%),

Table 2: Summary of students registered for both campuses Kigali and Gisenyi by gender and section 2015-2016

Concerning the gender equilibrium, the above table shows that in general the number of female students is bigger than male respectively represented by 4,380 (54,8%) for female and 3,609 (45,2%) for male. On the other hand, the same table shows that for day section and evening, the situation remains the same because female students outnumber male students as illustrated by the following percentages: 2,661 (57,9%) for female and 1,937 (42,1%) for male (day section) and 1,719 (50,7%) for female and 1,672 (49,3%) for male (evening section).

II.1.1.2. Academic staff

The statement of the academic staff members for the year 2015-2016 as compared to the past five years is as follows:

Table: 3 Academic staff

	2010	2011	2011-2012	2012-2013	2013-2014	2014-2015	2015-2016

Total	216	273	327	387	343	328	325

During the 2015-2016 Academic year, **325** lecturers taught at Kigali Independent University ULK for Undergraduate, Polytechnic and Masters programmes.

II.1.1.3 Staff Students Ratio

Table 4: Students- Staff Ratio

No	Section	Number of students	Ratio	Observation
1	Day	4,598/325	14:1	The ratio is in line with the national standard requirements because the latter require 25:1
2	Evening	3,391/325	10:1	The ratio is very good because the national standard is 25:1

The above table presents the student staff ratios for ULK in 2015-2016; fourteen students per one lecturer in the Day Section and ten students per lecturer in the Evening Section, this is a very good ratio based on the national standard which is twenty five students per one lecturer.

II.1.1.4. Academic staff training

As for the academic staff training, 10 lecturers are doing PhD programmes, while one lecturer is doing his CPA Programme. Besides, 12 administrative staff members are pursuing their masters' programme. The lecturers and administrative staff pursuing their PhD programmes and Masters are presented in the table below:

II.1.1.4.1 Lecturers Pursuing their PhD

The table below is to throw some light on the number of lecturers who are pursuing their further studies both campuses included

As it can be seen in the above table the number of female graduates is greater than the number of male graduates for Kigali Campus as their percentage is 59,9% for female and 40,1% for male, while for Gisenyi campus the situation is reversed because we have 55,1% for male and 44, 9% for female.

II.1.5. Library

The library is an outstanding teaching and research facility for a university or institution of higher learning. It is a very important tool for better training to every university.

Given that, ULK puts a special attention to it, every year it allocates, in its budget, some funds for buying books, subscribing to local and foreign journals and other necessary tools to ensure high level university training.

Our university is accessible to each and everyone. Several students from different universities operating in our country as well as foreign students, those from DR-Congo for instance, RTUC students and staff, not forgetting cadres from Rubavu District and its surroundings regularly consult books in our library which has become a center of attraction. As a matter of illustration, today, Gisenyi Campus library counts 28,402 books, while Kigali Campus counts **83,987** books. Besides these books, we have internet-connection and the access is free of charge. Moreover, our library has some CD-ROM containing a lot of titles pertaining of various domains. The physical Library is aided by a digital library of more than 600 computers, connected to important world e-resources.

Considering how well our university is growing in general, and given that the number of books is increasing in particular, we thank our academic authorities as well as the President and Founder of ULK for their willingness and particular importance they attach to the library.

The following is the table showing the evolution of books from 2001 for Gisenyi Campus and from 2010 for Kigali Campus.

3.5.2. SCHOOL OF ECONOMICS AND BUSINESS STUDIES

Preliminaries

The choice of that School has been dictated by several important factors such as:

- The response to the request of the quasi-majority of prospective students;
- The presence, in the country, of lecturers qualified in Economic Sciences;
- The concern to provide rapidly to the country human resources mastering several sectors of economy, accounting principles and techniques of management.

Courses curricula generally aim at providing the student with a solid training in Economics and Business Studies as well as in rural development. The student is prepared to it by a teaching tending to favour the adequation between the education provided and local, national and regional realities.

Theoretical courses, practical works and internships allow the student to acquire and master concepts, fundamental principles and methods proper to Economics, Finance, Accounting and Rural Development.as well as Management.

3.5.3. SCHOOL OF SCIENCE AND TECHNOLOGY

Preliminaries

- Rwanda vision puts stress on the TIC for a sustainable national development. The programme aims at producing computer scientists endowed with technical capacities, which were not highlighted in the past in most of local institution's programmes. This programme will specially aim at covering that aspect. It is oriented towards that development of the capacities required in public, private sectors as well as in that of partnership in the field of TIC in order to find out solutions to their problems thanks to the means provided by the technology of information and communication.
- ULK central mission is to be totally involved in the development of capacities in sciences and Technology in order to bring solutions to the needs of Rwandan Community That programme fits the Vision of Rwanda Government and ULK Mission.
- That programme which has a vocational vision will provide the students with practical knowledge which will get them to be efficient. It will help them to become competent and competitive on the labour market at local and regional levels.
- The programme notably aims at becoming a practical course oriented towards awarding diplomas. At the level of licence, the program contains a great deal of theories and advanced courses of mathematical feature so that the laureates can easily have access to higher diplomas; which was not the case in past when candidates wanted to have access to post- University diplomas; There was no exit to go ahead . The admission requirements for sciences options will consist of having a minimum of 2 marks diploma.

3.5.4 SCHOOL OF SOCIAL SCIENCES

1. Preliminaries

The creation of that School has been subject to several imperatives such as:

- The solicitation from a great number of prospective students.
- The presence in Rwanda of lecturers qualified in that School.
- The wish to provide rapidly the country with the executives in the fields of social sciences (Development Studies, International Relations and Population Studies)

2. Courses curricula

Courses curricula aim at providing the student with a solid education respectively in sociology, administration and demography. Those programmes target local realities as much as possible. They distribute in theoretical teachings, practical works and internships which get the student to:

- Master concepts, fundamental principles and methods proper to one of the three principles that are sociology, administration and demography.
- do a critical analysis of concrete situations and find out operational solutions;
- be able to work in both public and private organisation.

The School of Social Sciences may rejoice of presenting its premises: the laureates of sociology Licence Cycle, administrative sciences and Development Studies.

3.5.5. ULK POLYTECHNIC INSTITUTE

Preliminaries

There is no doubt that Polytechnic education plays a vital role in human resource development of a country by creating skilled manpower, enhancing industrial productivity and improving the quality of life.

It is in this framework that the main objective of ULK Polytechnic Institute is the promotion of technical and vocational education and training, technology transfer and skills development to enhance the socio-economic development of our country.

Knowing that one of the qualities of polytechnic education is the strong prominence on practice-based learning, work attachments with industry partners are of the curriculum and will enable students to gain valuable on-job experience and provide them opportunities to work with industry experts.

Built on a strong foundation of partnership collaboration and integration, ULK Polytechnic Institute is committed to meeting the needs of learners, businesses and our community by its programs which reflect the changing job market and provide students with many hands-on opportunities to offer the skills and knowledge that today's employers are seeking.

For meeting the highest quality of education, ULK Polytechnic Institute:

- Is staffed by qualified lecturers with a number of years of experience drawn from the education field as well as the private sector. They bring with them a wealth of teaching and industry experience and, by their professionalism; they know what students need to know.
- Has labs equipped with the latest technology, project-based courses, field and clinical experiences, applied research and co-opportunities which will engage students as they connect theory, research and practice.

3.6. COMPUTER SCIENCE CENTRE

Our teaching system is oriented towards finalization and professionalization. In this connection, ULK opened a Computer Science Centre where students are trained to new technologies of information and communication processing.

ULK/ Kigali Computer Science Centre has got 300 computers at the disposal of students and lecturers for different tasks

The Computer Science theoretical course is reinforced by practical exercises.

Access to the Centre is free, which offers more learning opportunities to our students. The computer hall is opened even on week-ends.

Note also that this centre comprises a Cyber net-café with 42 computers connected to the internet.

Internet connection allows the University community to carry out researches, documentation and exchange with the rest of the world. Offices are also connected to internet.

3.7. TEACHING STAFF

From its inception, ULK has laid a rigorous emphasis on recruiting the teaching staff.

Article 39 of ULK regulations provides that each member of the Teaching Staff is evaluated functional to:

- His/her scientific competence (perfect command of the content of the course);
- His/her pedagogical competence (perfect command of the content of the course);
- His/her moral qualities (devotion, integrity, objectivity, application to the training and education of students, etc.

Article 42 of the same Regulation States the following: “Academic requirements and degrees are the same as those pertaining to the best Universities of the World. ULK recruits among the holders of the following academic degrees:

1. Assistant-lecturer: License or Diploma in Medecine with grade distinction;
2. Lecturer : 4 years of seniority as an assistant-lecturer with two scientific publications or a Master’s degree or its equivalent;
3. Senior lecturer: Doctor by thesis;
4. Associate professor : 4 years of seniority as a senior lecturer with 4 scientific publications;
5. Professor: 4 years of seniority as associate professor with 4 scientific publications.

The ULK/Kigali 2015-2016 teaching staff is presented as below following their academic degrees:
